

## Message from Sheikh Faaris Aal Shuwayl about the false calls

Source: Sowt al-Jihaad [translated by Abu Osama]

{Message to Safar Hawali}

And praise and salutations be upon the Prophet Muhammad (saw) about whom the Munafiqeen make false statements about him and he (saw) remained steadfast against them. And Allah (Swt) ordered him, "O the Prophet! Fight the Kuffar and the Munafiqeen and be harsh with them." And to proceed,

In relation to what the media are speaking about, that I, Faaris bin Ahmed Aal Shwayli Al-Zahraani, will surrender myself to the Tawagheet (false idols / apostate rulers) of Aal-saud, are all lies and is not true. And I have never thought a single day by the Help of Allah (swt) that I will surrender myself to any Taghout (apostate rulers). Indeed I remember that around six years ago the Tawagheet of Aal-Saud held an event whereby they were going to give me a great gift however, i rejected that present and that event and I swear by Allah (swt) that my hand never touched the hand of any Kaafir Taghout (ruler) and i ask Allah (swt) to keep me steadfast on that. So how is it then, that they say about me that i want to give my self up to the Taaghout so that they can keep me in their Oppressive Prisons like Na'if and Muhammad bin Na'if (may Allah put them down and make them Shameful!)

And I will make it clear through this message that i asked for a debate on many occasions between myself and Safar Hawali regarding the matter of the Kufr of this country (aal-Saoud) and its ruling by their own laws (not laws of Allah) and their allegience to the Kufr from the East and the West, and their making the Jazeerat al-Arab a land for the Christian Crusaders, and many other points of Kufr other than this, but he (safir Hawali) rejected this (offer) and he became arrogant, and there is no truth in all that he says about me that i will surrender myself, or that he spoke to me by telephone, and there is no relationship or knowledge of us between each other, and i never met him in my life except on one occasion when he visited one of the tribes of Zahraani around 11 years ago before he entered into prison. (Currently) except that he is trying to release some prisoners from the prison al-Ruwaas in order to gain knowledge how to reach to me. Between myself and some of these prisoners were some previous communiations; (recently they are being used) to send me some of what Safar Hawali said and in this there is no clear mention for me to give myself up. My response to their communications is so frank and clear from the beginning, and i passed this through the Magasine Sowt al-Jihaad. And i responded to him with good advice and warned him from being a spokesman to Tawagheet and not to incline towards them as Allah said,

**"And incline not to those who do wrong, or the Fire will seize you; and ye have no protectors other than Allah, nor shall ye be helped."**

And also Allah (swt) has said,

**"So be not (used) as an advocate by those who betray their trust; But seek the forgiveness of Allah; for Allah is Oft-forgiving, Most Merciful. Contend not on behalf of such as betray their own souls; for Allah loveth not one given to perfidy and crime: They may hide (Their crimes) from men, but they cannot hide (Them) from Allah, seeing that He is in their midst when they plot by night, in words that He cannot approve: And Allah Doth compass round all that they do. Ah! These are the sort of men on whose behalf ye may contend in this world; but who will contend with Allah on their behalf on the Day of Judgment, or who will carry their affairs through?"**

However, he rejected my offer and he continued to speak to me nicely, playing his games, so that he can meet me by any means and the last message i recieved from him was an offer of three choices; Firslly, to

meet him and then to meet the Taaghout (apostate) Criminal, Killer like Muhammad an-Na'if, Secondly to send me to Iraq and they will arrange all matters necessary for that officially Thirdly, to only meet Safar Hawali alone.

When i did not respond to that request, and then i rejected to even open my electronic email, and i will never open it by the Help of Allah, I challenge Safar Hawali and his Messengers to come and try and find me. For those who love the Mujahideen i can put you at rest by saying that I am extremely careful in my actions, and in my telephone conversations taking all necessary precautions and Allah (swt) is the Best Protector, and the Most Merciful. And if i am killed suddenly then that is from the Blessings of Allah given to whom He (swt) wishes. The precautions that we take will never prevent us from carrying out the duties of Allah (swt) as Allah has said,

**"O ye who believe! Take your precautions, and either go forth in parties or go forth all together."**

And Safar Hawali has lied and made false accusations against me as he has done (before) hurting many of the Believing Mujahideen. Everyone has seen the firm role he has played in chasing the Mujahideen and making them surrender one after the other until more than one hundred Mujahideen have been caught because of him as he himself has admitted.

**And I say to Safar Hawali**, if you say about yourself, "I understand the Islamic evidences and I am a student of knowledge" then why do you flee from having a debate based on Islamic Shar'iah and evidences? The Haqq is our purpose and is what those before us have sought offering their souls in the Way of Allah (swt) for this Haqq and by the wish of Allah (swt) we will continue upon this purpose. With regards to the Tarajua' (alleged changing of opinions of the Ulema in Prisons i.e Sheikh Nasr al-Fahd, Sheikh Ali Khudair et al.) this (type of) imprisoned debate which is not accepted by the Shari'ah nor by the mind (is what they wish), and I say to all the people by Allah (swt), that this is the correct path and the sound Methodolgy and these operations that have happened and that are happening in the Arab lands are from amongst the greatest ways of becoming closer to Allah (swt), and are the most obligatory of duties.

The Jazeerat Arab should be only for the Deen of Islam since no two religions can co-exist in these lands indeed the Shafi'i Fuqaha, as you know O Safar, disagree about the Dhimma (Jews & Christians) are they allowed to sail to pass thorough the Red Sea or not (as this is part of Jazeera Arab) So how then can the Crusader planes fly, free and without concern, in the Jazeerat Arab. What about the tanks and the ships of the Crusaders control the rivers, seas and lands.... O Safar... so are so strange in this severe, harsh war which we are witnessing between Islam and the Crusaders, from afghanistan, Iraq and Jazeerat al-Arab. We have seen you standing on the side of the enemies of the Mujahideen, those who protect the Crusaders from the Rulers and the Apostates. And we have never seen you offer any support for the Mujahideen nor did you do any Jihad agianst the Crusaders, nor for releasing the Muslim prisoners, but all your hard efforts and concerns are for chasing the Mujahideen and to make them surrender to the Tawagheet (apostate rulers), to please America and those allied with them, do not mislead yourself, nor misled the Muslims, you are not from the Mujahideen, nor from those who help them we are here in Jazeerat al-Arab announcing that we are free from your sayings and actions, and there is no communications between you and us. And I clearly announce this for everyone to hear, that the Saudi state, is a Kuffar and Taaghout (apostate) regime which we must fight against and kill all their Tawagheet (apostate rulers). We must also declare Kufr and

disassociation from them and their actions. They have no A'had (covenant) with us nor any Baya'ah (pledge) nor any custody (i.e. we are free to kill them) and none of the fatawa of the evil scholars will ever return them to the realm of Islam, nor the Tazkiyyah (reference) from the hypocrites of Aleemu Lisaan (i.e. poets). The Haqq (truth) is only what has been brought to us in the Book of Allah (Swt) and

in the Sunnah of the Messenger Muhammad (saw).

This (is my) message to the Muslims (everywhere), continue with the Mujahideen and defend the honour of the Muslimeen, and their land and their wealth. Do not allow the words of the defeated people prevent you from Jihad, nor supporting its people. Take your example from those who have passed away as those who are alive are affected by the Fitna (trials and tribulations). As I said to those beloved brothers that what Muhsin al-Awaaji spoke about in the program, "Open Discussion", on the satellite channel al-Jazeera, is not correct and is clear lies, and this (Musin) Awaaji is so wretched for me to (contemplate) spoken or having any messages between us, wa Hasbinallahu Alayhim altogether, wa Hasbinallahu Alayhim altogether, wa Hasbinallahu Alayhim altogether. What Allah (swt) wishes will occur, but most of Mankind does not understand this.

(Sheikh) Abu Salmaan Faaris bin Ahmed Al-Shuwayl, al-Zahraani
